

Looking out the window of my downtown home, I see Seattle's grandest jewels, from Puget Sound's glistening waters to the brilliant shine of the Koolhaas library. Walking over to the WAC, the upbeat pulse of the city is unmistakable: an innovative menu on this corner, a flagship opening on that corner. Now is a fantastic time to invest in Seattle. ¶ I invite you to contact me personally to discuss the potential of financing a home or investment property. As the Area Manager for Countrywide Home Loans, I will handle your loan with fastidious attention: reviewing every individual option, completing the process swiftly. I look forward to discussing the possibilities with you very soon.
